MINISTERSTVO DOPRAVY A VÝSTAVBY SR PODATEĽNA	
Dátum:	13 -06- 2018
Číslo záznamu:	<i>46 821</i>
Prílohy/Listy:	Vybavuje:

Dear Sir/Madam,

We would like to inform you that in accordance with Decree of the Government of the Russian Federation No.1426 dated 25 November, 2017 "On approval of the Rules of the procedure for equipping buses with satellite navigation equipment, its identification in the state automated information system "ERA-GLONASS", the composition of information on the location, direction and speed of buses, as well as on transfer of such information to the "Transport Directorate of the 2018 FIFA World Cup in the Russian Federation" and the Article 5 of the Decree 202 "About features of application of the strengthened security measures during carrying out in the Russian Federation of the FIFA world Cup of 2018 and the FIFA Confederations Cup of 2017» only buses equipped with the satellite navigation equipment, transmitting information to JSC "GLONASS" and ANO "Transport Directorate of the world Cup 2018" will be able to entry to the territory of the host cities of the World Cup. The process of foreign buses (owners- non-residents of Russian Federation) equipping with the satellite navigation equipment will be operated by "Platon" Electronic Toll Collection System.

It is free for buses to move inside of Russian Federation.

The registration can be realize remotely on the site www.platon.ru or by a personal visit to service office centers (information about the addresses of the offices can be found by link http://platon.ru/en/about/service_centre/)

To rent an On-board Unit it is necessary to make a personal visit to service office center.

To register and receive an On-board Unit, a Bus Owner should to provide a followed information and documents to the "Platon" Electronic Toll Collection System:

- Natural person – Name, Last Name, Patronymic (if exists), phone number, e-mail address, an identification document of Bus Owner.
- Legal person – name of legal person, registration ID, phone number, e-mail address, certificate of state registration of a legal person.
- Certificate of registration of the vehicle

In case of an authorized representative requesting in addition to the package of the documents mentioned above, it is necessary to provide a document that approved the rights of the Authorized person (power of attorney): <http://platon.ru/en/fifa2018/>.

Information and documents should be presented as electronic or paper document type with a translation into Russian. It is not necessary to have a notarized translation.

To get an on-board unit it is necessary to make a secure deposit payment in the amount of 6822,98 rubles for each On board unit. There are several ways to make a secure deposit payment:

1) payment by credit card at the Platon service center after the conclusion of the agreement on the provision of free use of OBU;

2) payment in cash at QIWI terminals with the provision of a confirmation receipt;

3) Bank transfer to the Platon operator's account. Bank transfer is possible after successful pre-registration on the website platon.ru. Issuance of the OBU is possible only after the payment is credited to Platon's operator account.

It is recommended to use a credit card payment at the Operator's office or payment in the terminal QIWI, issue an OBU in this case is carried out immediately after payment.

Payment details for the security deposit payment is available on the site: <http://platon.ru/en/fifa2018/> A payment must be provided in advance before the visit to Platon service office to get an OBU. Please be advised that it may take 3-7 days to get a payment.

After completing a registration process and receiving an On-board unit, it will be sent a link on the e-mail used during registration process for a further registration on a special information resource ANO "Transport Directorate FIFA2018". It is necessary to submit notifications about planned routes of each bus into the territory of the host cities of the FIFA World Cup 2018.

Further needed to:

- Pass on the link in the e-mail
- Register on a special information resource <https://bus.transport2018.com/> filling an appropriate data for registration
- Send a notification about a planned route of each bus into the territory of the host cities of the FIFA World Cup 2018 by a special information resource.

In case you may have any questions about registration on a special information resource and/or about a planned route is necessary to request to the "Transport Directorate FIFA2018":

E-mail: bus2018@td2018.ru

Service hotline phones:

- +7 (499) 426-05-72

After FIFA World Cup 2018 ends, it is necessary to visit a service office center Platon to return an on-board unit. The security deposit payment will be fully refund after return of on-board unit under a request on return the secure deposit payment.

In case of contact with you, foreign bus owners who plan to enter the territory of the Russian Federation in the cities of the 2018 FIFA World Cup, to bring this information to their attention.

Best regards,

A. Zamkov

CEO "Platon" Electronic Toll Collection System.

Dmitrienko Andrey Vladimirovich
